Principal: Jessica Keaton

The School District of Indian River County has established a multi-metric School Report Card for each school. The purpose of the School Report Card is to give a broader picture of how our schools are performing on a variety of indicators, beyond just the School Grade provided by the Florida Department of Education. The data used to determine the status of each indicator is presented on the following pages. Some indicators may have additional data presented that is not used to calculate the indicator status, but is included for informational purposes.

Note: Definitions for each indicator can be found in the Appendix. Technical data definitions and frequently asked questions can be found on the School Report Card homepage.

Average Daily Attendance Scale		
Min	Max	Status Level
97%	100%	Exceeding
93%	96.9%	Meeting
0%	92.9%	Below

Average Daily Attendance is calculated by taking the total count of student days present divided by the total count of student days enrolled over the course of the school year. All students who were enrolled at least one day are included.

The 4 Year Comparison chart is calculated by classifying each student according to their individual attendance rate. Only those students enrolled at the end of the year at the school are included.

Indicator Definitions for School Report Cards

School Grade: The actual School Grade assigned by the Florida Department of Education.

Parent Satisfaction Grade: Based on parent responses to the school parent survey question: “What grade would you give your child’s school?”

Gains:

2014-2015 and 2015-2016: In these years the Gains indicators were comprised from the following two data sources. For grades 4th through 12th, gains are determined from the Value Added Model score provided by the Florida Department of Education. For grades Kindergarten through 3rd, gains are determined from the student performance on the nationally normed SAT10 assessment.

2016-2017: This year the Gains indicators are comprised from the following data sources. For grades 4th through 12th, gains are determined from the Value Added Model score provided by the Florida Department of Education. For grades Kindergarten through 3rd, gains are determined from the student performance on the i-Ready Assessment.

Student Attendance: The average daily student attendance rate.

Student Discipline: The percentage of students who were assigned at least one day of suspension, in or out of school.

Gateway Performance: The gateway indicator reflects how well students are performing on the 5th, 8th, and 10th grade statewide, standardized English Language Arts Assessment compared to the state average.
