### **A. Property and Supplies**

Office equipment and supplies are to be used for official business only. All property and supplies should be stored in a secure location.

### **B. Purchasing**

All equipment and supplies must be ordered through the school business manager or designee on an approved PO form. Once a purchase has been approved the principal/director and business manager, the requestor may proceed with ordering. Any purchase will include the appropriate (if applicable) written/printed documents indicating prices (e.g. invoice) from the vendor. This documentation will be maintained in a secure file for review.

If purchase orders are required by Red Book, they will contain necessary information required.

#### **Micro Purchases**

The school administration is authorized to make purchases under \$10,000 to purchase commodities or contractual services where the total amount does not exceed the applicable appropriation in the approved budget. The Board will be informed on consent agenda of purchases made in excess of \$10,000.

#### **Small Purchase Procedures (Simplified Acquisition)**

Any purchase between \$10,000 and \$250,000 will include documentation of price quotes by three different vendors, if available, unless waived, as described in the waiver section below.

#### **Competitive Procurement Procedures**

Any purchase over \$250,000 will adhere to the following formal bid process, unless waived, as described in the waiver section below:

1. A written Request for Proposal (RFP) will be sent to a minimum of three vendors.
2. The RFP will include clear and accurate description of the material, product or service to be procured without unnecessary requirements which unduly restrict competition.
3. The RFP will include descriptions of any technical requirements.
4. The RFP will include specific features of brand name or equivalent descriptions that bidders must meet.
5. The business or contractor selection process will consider their ability to perform to the fullest extent possible, as well as, their integrity, record of past performance and financial and technical resources.
6. All received RFPs will be documented, price compared and maintained in a secure file for review when needed.

#### **Sole Source Procurements**

If a sole source procurement is made, a written justification must be documented and approved by the school business manager.

A contract may be awarded for a supply or service without competition when the school business manager or a designee, determines that there is only one source for the required supply or service. This method of procurement involves no competition and should be utilized only when justified and necessary to serve the needs of the school.
